The screenshot shows the DKEY Bank website's registration interface. On the left is a sidebar menu with options: DKEY Bank, Buy (with a Private Sales button), Swap Vault, Staking Vault, Register Account, Transactions, Announcement, and Campaign. The main content area is titled 'Register - New Account'. It contains a 'User Information' section with input fields for Referral (Referral Code), Email, Mobile Number (with a dropdown), Password (with a strength indicator: 'Minimum 8 characters consist of 1 capital letter, 1 number and 1 special character (!@#\$%^&\*)'), and Repeat Password. Below these is a light blue warning box stating: 'Mobile number and email address must be filled correctly. Email is very important for the account. It is used for recovering the password.' The 'Verification Method' section has a dropdown set to 'Email' and an 'OTP Code' field with a 'Send' button. At the bottom is a checkbox for '我是人类' (I am human) next to an hCaptcha logo. A blue 'Submit' button is at the very bottom. The top navigation bar includes the DKEY logo and a 'BETA' tag.
